

Racers, Riders and friends,

The start of the D6MXPG Ultimate MX Series is right around the corner and we understand that the past several months may have been confusing to many of you as we worked to re-structure the series.

So in order to make up for any inconvenience we've caused you or your family we're offering the 2011 Ultimate Series Registration to you **absolutely free of charge**.

You've got it right!!! Now all you need is your AMA card to compete for hundreds of thousands of dollars in Factory Contingencies, a first ever Youth Scholarship Program, and Year End Awards.

Just sign up to race at any of the 2011 D6MXPG Ultimate MX Series races and we'll register you for the Points Championship of the year.

We would also like to take a moment to thank our current series sponsors for believing in the D6MXPG Ultimate Series: MGX Unlimited, GPMX, Bel Ray, Dynamite ATV, Motovation Motocross Instruction, Scott and Only One Inspiration.

For those of you that already sent in your registration we are returning your money.

For a complete schedule of the D6MXPG series, please visit our website at www.d6mxpg.com.

Remember we're here for you, the riders and a tradition of D6 Motocross which has been around for forty plus years.

Best Regards,

D6MXPG
