

**New for 2011:**

## **\$500 US Savings Bond Youth Scholarship Program**

The D6MXPG is proud to announce The D6MXPG Youth Scholarship Program.

Nothing's more important than our children's future and that's why the D6MXPG, along with our sponsors, are pioneering a scholarship program for our young racers.

By making this program an integral part of our Ultimate Series for years to come your child will have the opportunity to amass some serious dollars by the time they're ready for college or trade school.

To be eligible for the program you simply need to sign up for a current D6MXPG membership card and participate in any of the listed youth classes.

To win you need to be the most well rounded rider in your class. That means good racing results backed by good grades and extracurricular activities or community service.

Ten winners will be chosen on the basis of a 100 point scale. 1/3 based on the rider's final standings in the D6MXPG Ultimate Series. 1/3 based on the rider's academic report cards including the full academic year 2010-2011 and first 2 marking periods of the 2011-2012 school year. 1/3 based on the riders documented extracurricular or community service activities. In the event of a tie each rider will be required to submit an essay explaining why they most deserve to win the scholarship.

The D6MXPG will choose 1 winner from each of the classes listed below prior to the year end awards banquet.

Parents are responsible for submitting the child's report cards, documented extracurricular/community service activities, along with the riders essay **no later than December 31 2011.**

**Eligible youth class's include:** 51cc stock (4-6), 51 cc stock (7-8), 65cc (7-9), 65cc (10-11), 85cc (9-11), 85cc (9-13), 85cc (12-15), School boy I, School boy II, & Collegeboy, Quad 50 stock limited (4-6), Quad 50 Production CVT (6-8), Quad 70, Quad 90, Quad Schoolboy.
